STONE COUNTY JANITORIAL
ACCOUNT NUMBER 860077611

Dear Mr. Bolin, Mr. Hurst, and Ms. Mullins:

The Aramark bid was opened on May 17 2018. The ensuing contract was prepared by Aramark, was approved by the Stone County Highway Commission on June 12 2018, and was executed on that date. The bid pertained only to the County's south road & bridge shop and its employees, and the Contract incorporated the bid.

Thereafter, Aramark provided, and the County used, certain janitorial items at our courthouse, judicial center, and satellite offices in Galena. Aramark established an account for 'Stone County Janitorial' under account number 860077611. Our employees, and Commissioner Hank Smythe, have communicated to some or all of you that there is no contract between the County and Aramark concerning our courthouse, judicial center, and satellite offices in Galena, and that the County is not going to continue using the items that have been provided by Aramark and billed on the 'Stone County Janitorial' account. Aramark has picked up those items.

The County is paying the 'Stone County Janitorial' invoices for the items we have used. However, this should not be construed that the County entered into a contract with Aramark concerning the courthouse, judicial center, and satellite offices in Galena.

The County is willing to agree that the existing bid and contract will cover all three of the County's road & bridge shops and uniform for road & bridge employees, if Aramark agrees that there is no contract concerning our courthouse, judicial center, and satellite offices in Galena.

Thank you for your courtesies.

Very truly yours,

WILLIAM McCULLAH

All Commissioners agreed and it was brought to decision by a roll call vote: Smythe – yes; Maples – yes; Wood - yes. Matter carried.
